Episode 35 : Happy Fairy

Elvira, you've regained consciousness?
Elvira, please, just this one time, get some rest... listen to the doctor's advice.
That's right!
STEP
STEP
But... I have to go to the internship today too...

If something happened to you during the internship, it would only cause more trouble.
Seeing Barney might be important for you,
But your health is far more important

pat
!

That's Barney's word for you, Elvira.

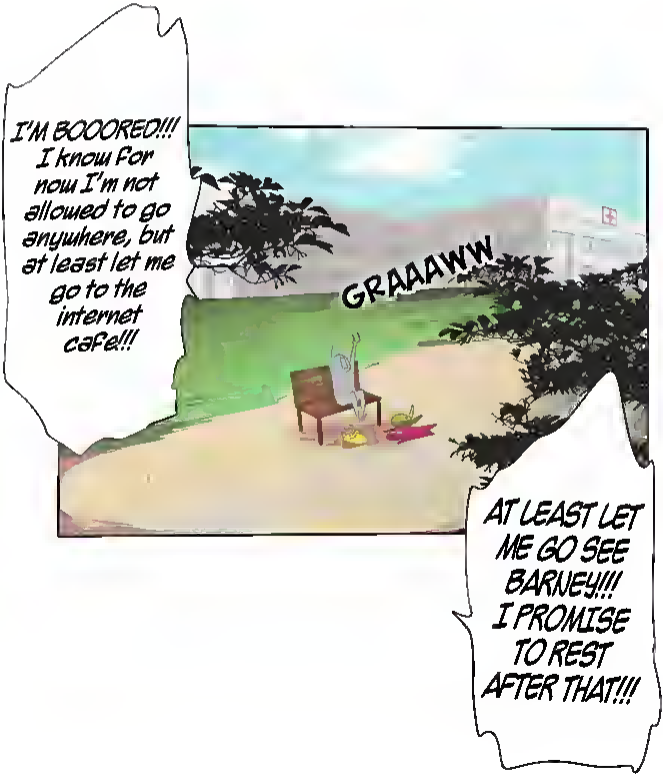
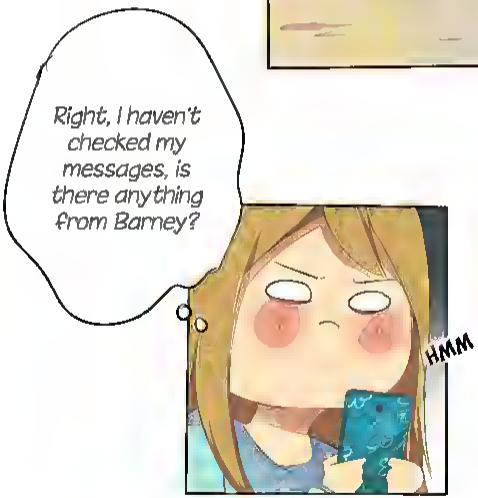
PISSED OFF!
PISSED OFF!
PISSED OFF!
PISSED OFF!

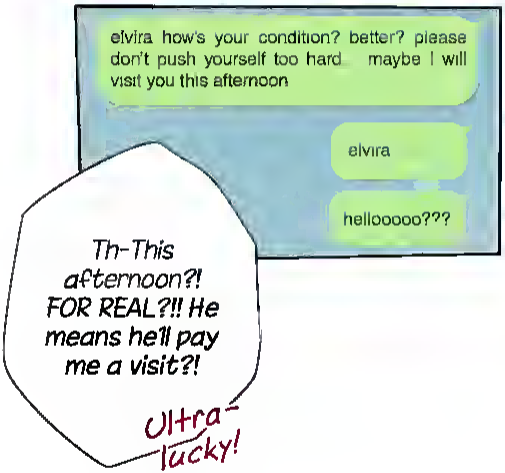


I'M BOOORED!!! I know for now I'm not allowed to go anywhere, but at least let me go to the internet cafe!!!
GRAAAWW
AT LEAST LET ME GO SEE BARNEY!!! I PROMISE TO REST AFTER THAT!!!

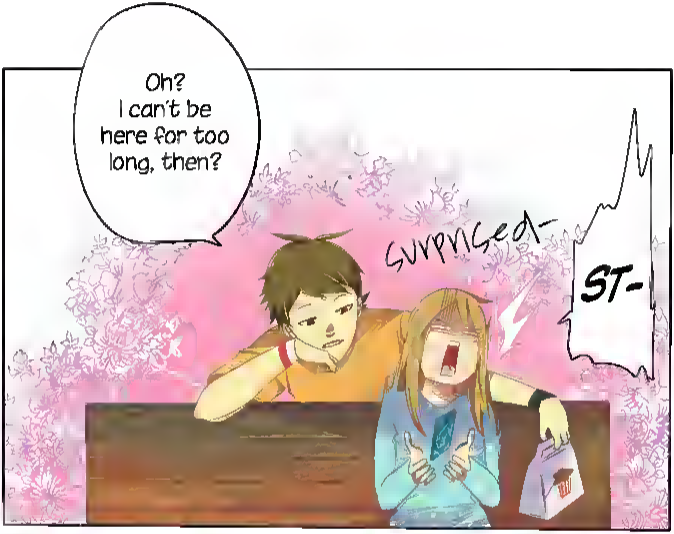
PLACE



Right, I haven't checked my messages, is there anything from Barney?
HMM



elvira how's your condition? better? please don't push yourself too hard... maybe I will visit you this afternoon
elvira
hellooooo???
Th-This afternoon?! FOR REAL?!! He means he'll pay me a visit?!
Ultra-lucky!



Oh?
I can't be here for too long, then?
surprised-
ST-

STOP SURPRISING PEOPLE BY COMING OUT OF NO-WHERE!!!
You want me to die instantly huh?!
SHOO
SHOO
SHOO
. You're not used to my cool style, eh?
By the way, I brought cupcakes~
PLACE

This cake is for me? Thanks

Hmm...

Frinza,

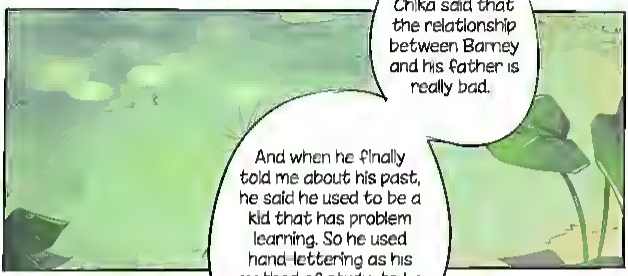
Are you always wearing pants that short?

It gives me the creeps

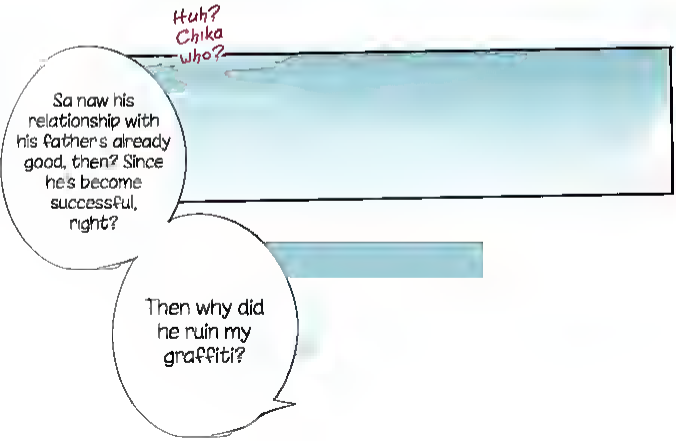
It's become my characte-ristic!

Don't just make comments on my pants, have you been a fairy to that Crocotwinkle?

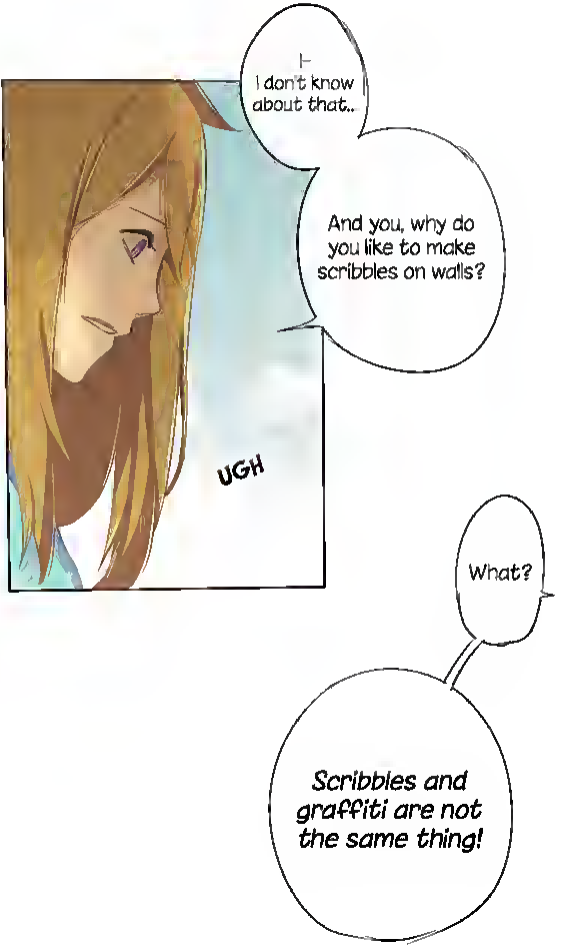
Eh.. About that,



Chika said that the relationship between Barney and his father is really bad.
And when he finally told me about his past, he said he used to be a kid that has problem learning. So he used hand-lettering as his method of study, to be the clever Barney now.



Huh? Chika who?
So now his relationship with his father's already good, then? Since he's become successful, right?
Then why did he ruin my graffiti?



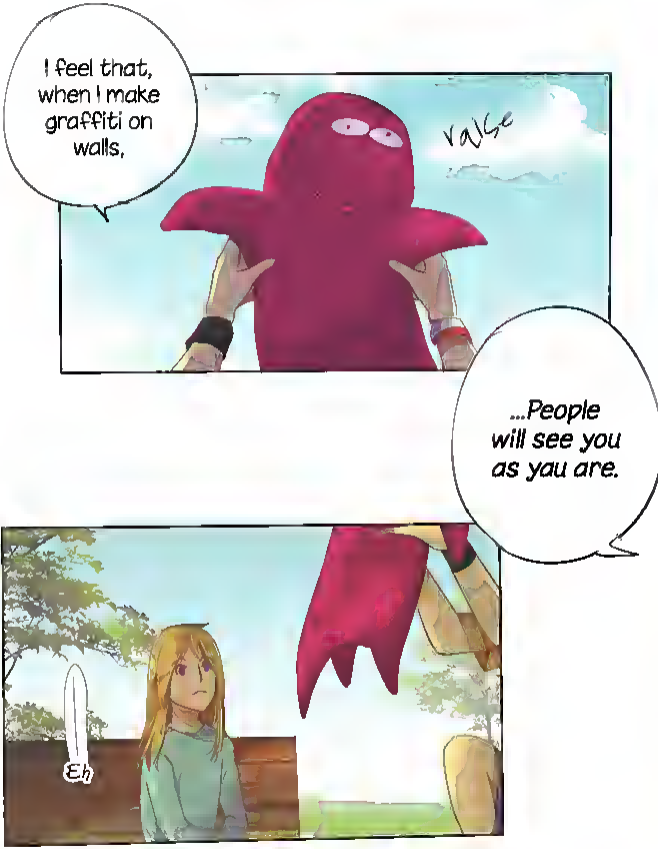
I don't know about that..
And you, why do you like to make scribbles on walls?
UGH
What?
Scribbles and graffiti are not the same thing!

Graffiti is a work of art that is expressed by graffiti artists on medias like concrete or wooden walls... Usually created by spray paint.

There are a lot of pros and cons about graffiti, many say it's vandalism... But I like to see it as a way of expressing oneself.

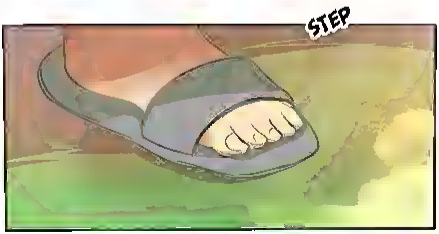
I like to make graffiti, because the media that is used is a wall! a really broad wall. You can express your feelings freely.

The bigger the wall, the bigger the art. Thus the bigger the audience.

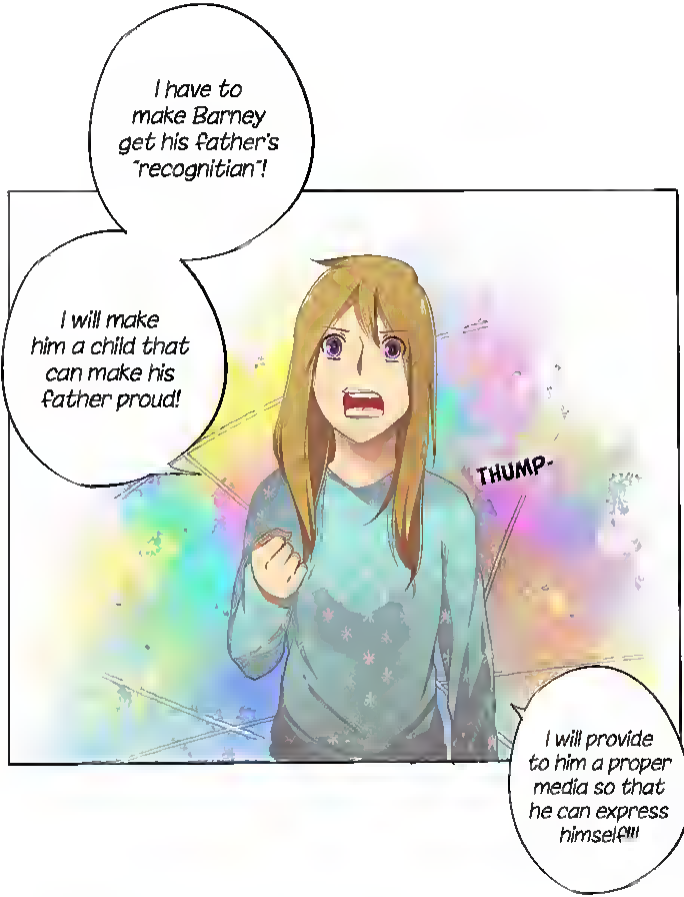


I feel that, when I make graffiti on walls,
Valse
...People will see you as you are.
Eh

THAT'S IT!
Why did I realize this just now...?
TURNS



STEP



I have to make Barney get his father's "recognitian"!
I will make him a child that can make his father proud!
THUMP-
I will provide to him a proper media so that he can express himself!!!!

Then I will help him too.
Ehh?! B-But why? Aren't you annoyed with him?
Just say that I am your fairy
WOW!
M-MY FAIRY?!
So you'll wear fake wings?!

To let him show his true self!
Barney, The Hand-Lettering Artist!

Bar

Ah! Thanks for your help yesterday.
Err. You're welcome
Actually, right now she's not allowed to meet anyone since she has to rest.
STEP
STEP
STEP
But she would be furious if she knew I wouldn't let Barney visit her

CREAK
Elvira~
Guess who's here with me?

THUMP-

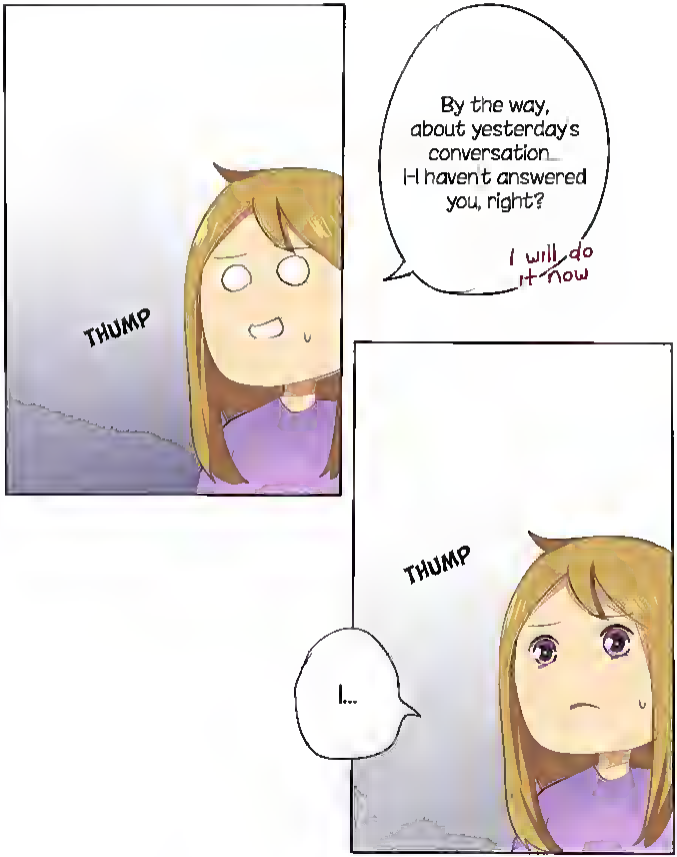
THUMP
THUMP

Wh-Why would you just read my messages and not reply to them?! Are they unimportant?! DO YOU THINK MY WORRIES ARE UNIMPORTANT?!
Pllinch~
Th-That... AAARGH! IT HUUURTS!!! My precious cheek! It saaags!!!

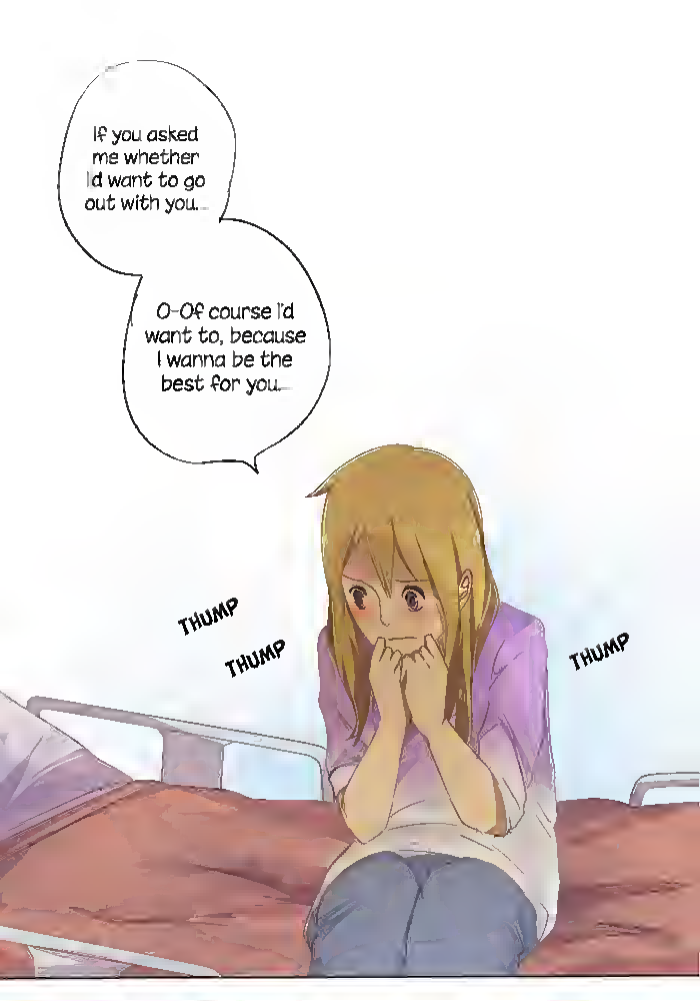
You two...
Eh...
I'm giving you ten minutes to finish your affairs. After that, Elvira has to go back to resting
...And don't forget, Barney, please scold her for not taking her pills three times!
Ah Roger that
LET GO
Don't scold me!

Elvira, listen to what the doctor is saying
Right I brought you cakes, but doctor said we'll save it for tomorrow since you have to go to bed early today
SIT
I can sneak in the night to eat your cakes!

Don't try anything with me!

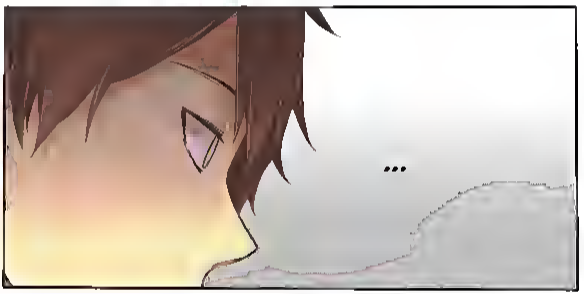


THUMP
By the way, about yesterday's conversation... H-I haven't answered you, right?
I will do it now
THUMP
I...



If you asked me whether I'd want to go out with you...
O-Of course I'd want to, because I wanna be the best for you...
THUMP
THUMP
THUMP

So...
Have you fallen for me...?



Barney, actually... you only pity her, right?

Pity?
So it's pity?
Kevin! You've crossed the line! Is she that pathetic?!
Claudia said, she has only ten months though?
I feel sorry for her because...
She's pathetic?

Elvira said that to Claudia herself I just heard it from Claudia yesterday too
Moreover, Barney needs a more mature woman who can support his bustling activities
HM
Looking at Elvira, she doesn't even match the criteria

Well, I'm indeed indifferent towards her...

CUT IT OUT, KEVIN! I can't believe you're this heartless!
You've crossed the line by saying she only has ten months, and that she doesn't meet Barney's criteria!
Don't just say things as you wish!
THUMP

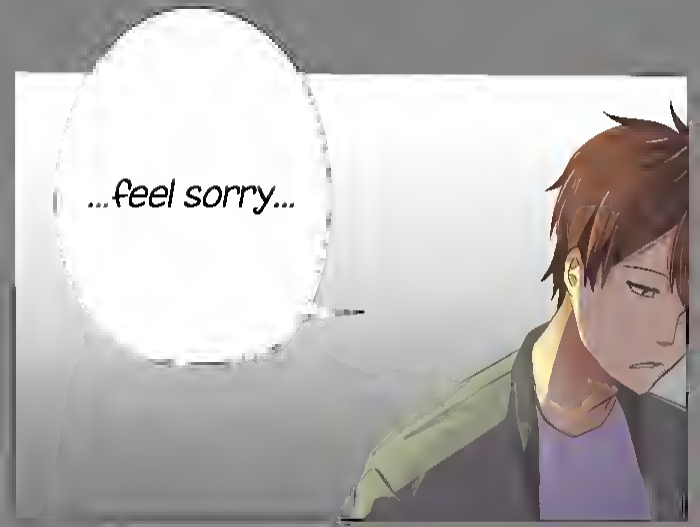
My worries about her, is because she's sick...

Yeah...
She's indeed suffering for a disease, and she only has ten more months. Her brother asked me to make her happy for the time that she has left.

He said I'm already like an "indirect vitamin" for Elvira's life...

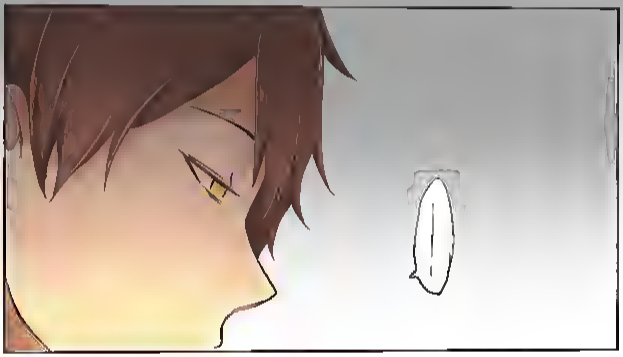
Her attitude is childish... only because she has spent her childhood in the hospital, and had no friends to teach her things.
I-I honestly don't know how to make her happy... So I feel responsible for looking out for her, in the campus and anywhere...

I...

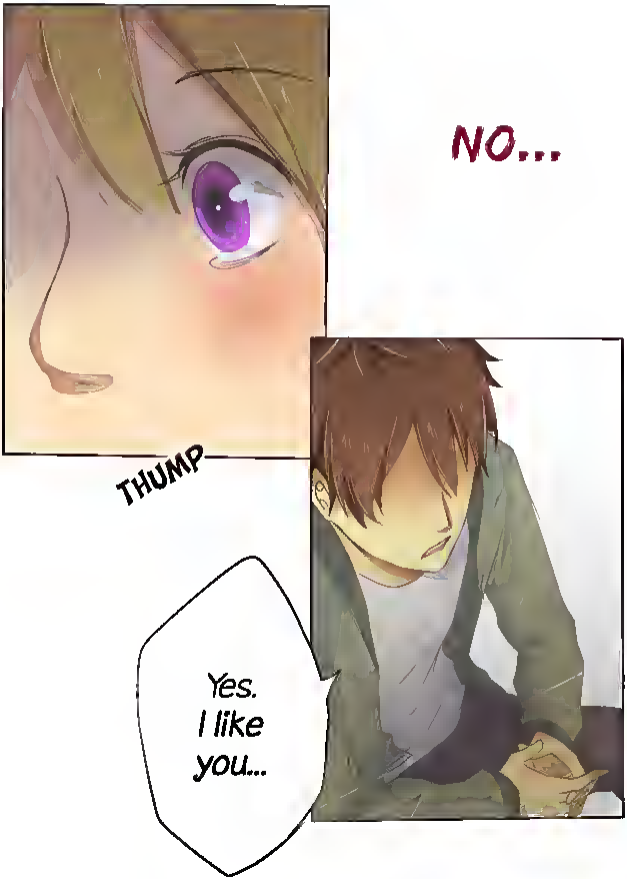


about

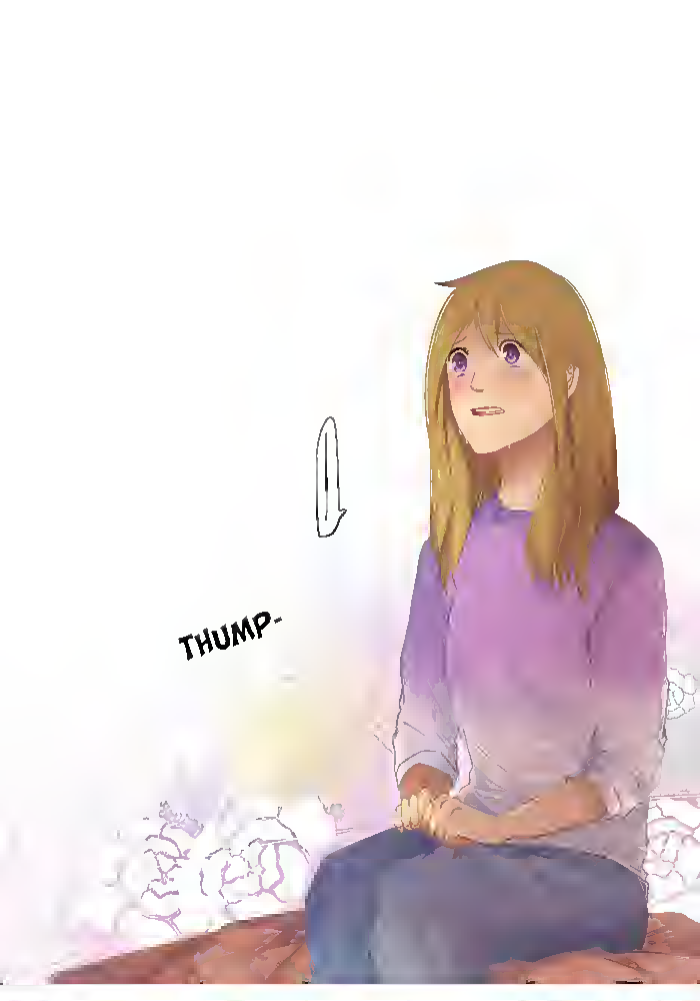
her condition...



Yes.



NO...
THUMP
Yes.
I like
you...



!
THUMP-

I JUST WANT
YOU TO BE HAPPY

...

FOR THE
NEXT TEN MONTHS.
